 - Radiator Installation
 - Plumbing Installation
 - Sanitary Installation
 - Public Health Installation
 - General Ventilation
- Fully Automated BEMS Installation
- Soil Disposal & Dilution Installation

St Mary's Oratory in Pomeroy was built adjacent to an 18th Century church and resembles much of its style and decadent characteristics. Michael Nugent Ltd was commissioned to carry out the mechanical services on this very interesting scheme, which included LPHW heating and radiator installation, as well as plumbing, sanitation, general ventilation and the installation of soil disposal, public health and fully automated BEMS.

2 Tandragee Road, Pomeroy, Co. Tyrone, Northern Ireland, BT70 3DS
