Game of Thrones Studio Tour is a 'world class' attraction that invites visitors of all ages to peek behind the camera to learn the show's secrets and admire the skills that combined to make one of the most successful TV series in history.

It is the only official Game of Thrones Studio Tour and includes the largest Game of Thrones shop in the world.

At Game of Thrones Studio Tour can you walk through many authentic sets, including King's Landing and the Great Hall of Winterfell to discover the role Northern Ireland played in creating the hit HBO series during a decade of filming. Visitors can get closer than ever before to more than 140 authentic costumes from the show, weapons, jewellery, and the prosthetics used to create the White Walkers, the Night King, and more. You can even become a Kingsguard or White Walker and try your hand at archery on interactive screens.

Game of Thrones Studio Tour is located at Linen Mill Studios in Banbridge. The Tour is located just 30-mins from Belfast and 90-mins from Dublin.
