Completion:
May 2024

Founded in 1845 by William Aldwin Soames & was the first independent school to be founded in Sussex. The new theatre & performing arts centre entails a 400 seat multifunctional theatre, dance & drama studios, 6th Form centre, classrooms, cafe & open space. The boys & girls independent school has described the new centre as the 'grand finale' completing the schools 10 year masterplan.
